

You have an “**ENTERPRISING SUPERPOWER**”

Enterprising Superpower helps you find financial possibilities.

Your biggest strength lies in your ability of finding the business opportunities. You enjoy taking bold decisions which often involves financial risk. While people often think that you are a risk taker. Your biggest strength is that you know how to put different things together & achieve business outcome. This rare quality keeps you at the centre of all other superpowers because you have an ability to leading & managing people. You find solutions through people.

Without **Enterprising Superpower**, businesses can't be built. While you often think about the financial outcome through business, you tend to ignore emotions of other people around you. You dislike socialising for no reason.

Learning Source & Style

People with **Enterprising Superpower** learn visually. While always being imaginative & creative they are good at answering questions starting from What? Their preferred style of learning is Visual.
