

You have a “**PEOPLE SUPERPOWER**”

The **People Superpower** makes you a good **Collaborator**.

Your biggest strength is communication & collaboration. You enjoy working with people. While people often call you very talkative & outspoken. Your biggest strength is that you are a good communicator. You build connections very easily & that's what makes you unique. These qualities make you a good leader.

Without **People Superpower**, trading, business or even entertainment is not possible. you are good at starting as well as closing the deal with other people. You don't mind anyone distracting you while doing any work. You become more vibrant when you come across people. People feed you the much-needed energy. But you don't like detailing & lots of calculations.

Learning Source & Style

People with **People Superpower** learn from other people. While always focusing on collaboration, they are good at answering questions starting from Who? Their preferred style of learning is auditory.
